

Carbon capture (CCUS) – LanzaTech, Borg CO2
Direct air capture (DAC) – Climeworks, Carbon Engineering
Nature-based solutions – WWF, Conservation X Labs
Reforestation – Mast, Terraformation, 1T.org
Regenerative ag – Indigo Ag, Land O'Lakes
Resilience – Climate Resilience for All
Education for sustainable development – Acumen Fund, Gates Foundation

Renewable energy – Invenergy, Vestas, SunPower, NextEra
Energy storage & grid tech – Form Energy, Jupiter Power, ABB, Siemens
EVs & charging – Tesla, Rivian, EVgo, Chargepoint
Aviation & SAF – Joby, Odys Aviation, TotalEnergies, LanzaJet
Food waste solutions – Apeel, Goodr, Imperfect Foods
Foodtech – Impossible, Beyond, UPSIDE Foods
Building tech – Yardi, Lux Wall, Seagate Mass Timber
Hydrogen – Air Products, Worley, Plug Power
Materials – Boston Metal, Carbon Cure

B Corps – TOMS, Warby Parker
Business model innovation – Patagonia, Home Planet Fund
Consulting – Deloitte, BCG, BSR
Accelerators – Sustainable Ocean Alliance, Elemental Exclerator

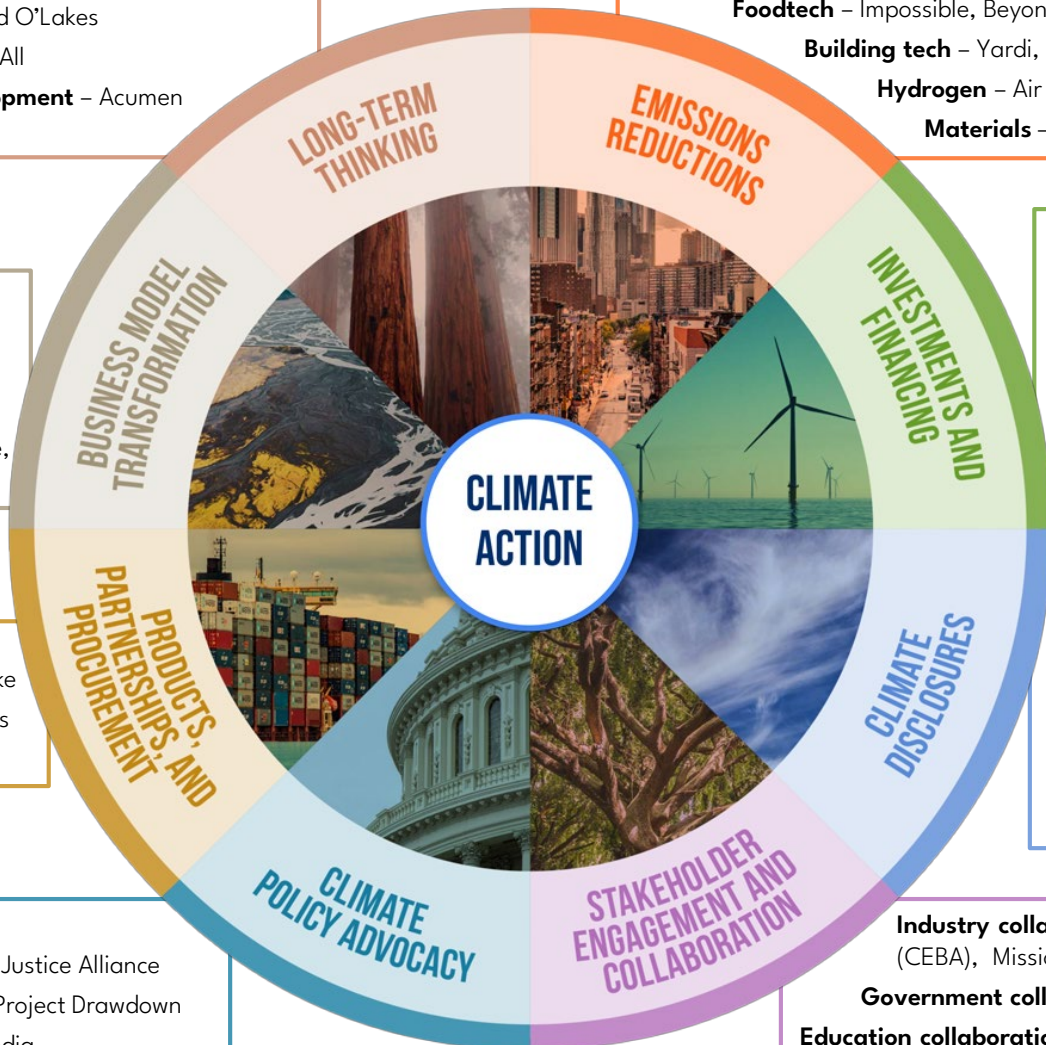

VC – BEV, Lowercarbon Capital, Galway Sustainable Capital
Corporate VC – Microsoft Climate Innovation Fund, MassMutual Ventures
Carbon Trading – Rubicon, Evolution Markets
PE – TPG Rise Climate, Apollo Global
Infrastructure Finance – Lazard, Generate Capital, HASI

Supply chain climate strategy – Walmart, Johnson & Johnson, Mars, Nike
Circularity – Circ, Closed Loop Partners
Consulting – EY Parthenon, southpole

Corporate disclosure – Microsoft, Bank of America, Johnson & Johnson
Consulting – EY Parthenon, KPMG, ERM
NGOs – Value Reporting Foundation, Ceres
ESG data & reporting – Persefoni
Communications – Futerra, Edelman, thinkPARALLAX

Climate policy – C2ES, NRDC
Climate justice – WE ACT, Climate Justice Alliance
Research – RMI, Probable Futures, Project Drawdown
Media – The Cool Down, Canary Media
Philanthropy – Grantham Foundation

Industry collaboration – Clean Energy Buyers Alliance (CEBA), Mission Possible Partnership, WBCSD
Government collaboration – C40 Cities
Education collaboration – Second Nature

Note: this list is a set of illustrative examples; it is not a comprehensive list. Many companies have activities in more than one category above. Many other employers exist.
